

North Star Auction is pleased to announce the Dave & Sherry Wahl Estate Auctions. Dave and Sherry were active collectors and were well known for their incredible collection. Their collection was gifted to the Central Dakota Humane Society (CDHS) and they have decided to sell a portion of the collection through a number of upcoming auctions. CDHS is also continuing to sell items from the collection through Dave & Sherry's former booth in The Bismarck Antique Mall and eBay (seller name: forcdhs).

The first auction is scheduled for February 3, 2018 at the 4-H Building, 3715 East Bismarck Expressway, Bismarck. This sale will feature a good portion of the tool collection. There will be lots of antique woodworking tools, implement wrenches, automotive tools, tool advertising and display items, etc. Lots of Keen Kutter, Winchester, and Stanley items. The catalog will be posted on-line by the end of December and pictures of sale items will be posted as they become available.

Other sales tentatively scheduled including a pottery and stoneware auction and an oil/gas/advertising auction. The quality and depth of this collection is mind-boggling. These will be some of the best antique and collectible sales we have seen in this area for quite some time.

We have a great auction year planned for 2018. Not only will there be a number of sales from the Wahl collection/estate, there will be at least 4 sales from another great collection. Those auctions are tentively scheduled to start in late April and continue through the summer. More details on that as the sales develop.
